Spring Recruitment Fair

Monday 14th April
10am - 3pm

Where do I go?

The Careers Fair will be held in the Queens' Building, with employer stands in the Octagon and talks in the Colette Bowe rooms. There will be floorplans/maps at the reception where you will need to sign in, so please do have a look when you arrive!

What to do?

Look out for employers you might like to work for and go over to have a chat - that's what they're here for!

Employer Sessions

As part of our Spring Recruitment Fair, select employers will be delivering snappy, engaging and insightful sessions, designed specifically for you! These talks will take you beyond the website, getting to know the employers on a deeper level; their business successes and challenges, and will help you to more fully understand the options available to you. You will not need to register for these talks, please feel free to walk in! All of these talks will be taking place in the Colette Bowe room.

LinkedIn Photography

We have hired a photographer to take headshots of you for your LinkedIn profile! If you would like to have your photo taken, we recommend wearing smart-casual clothing on the day.

Quiet hour

We have a quiet hour, from 10 - 11am, specifically for students with additional needs who may require a more relaxed/less stimulating environment to interact with employers. Throughout the fair we will have staff assigned as 'buddies' to support you during the event if you require additional assistance - you can identify them by the sunflower lanyards they are wearing.

Get your CV checked

If you would like to have your CV checked by professionals, then please come and find the Careers and Enterprise stand where we will have qualified Careers Consultants and CV checkers at hand to look through your CV. We recommend bringing a paper copy as this might be easier to look at!

After the Fair

Tip 1

Reflect on how the event went for you - things you did well and things you'd like to improve on - and think about how you can use your newly expanded network of recruiters!

Tip 2

Make sure your LinkedIn profile and CV are the best they can be, using the information you gained from employers about what they are looking for.

Tip 3

If there are any skills you need to improve to get the job you want, then why not take a look at our Careers programmes and events? These could help you strengthen your applications with extra experience.

Tip 4

Keep a look out for more career events tailored to your School or the sector that you are interested in. All of our events are posted on Queen Mary Careers Hub!
