#### Recall & Support:-

2.12 Missing end of life care plan AGREED

### **Childhood Immunisations**

Children aged over 1 yr and 3 mths and younger than 3 yrs fully vaccinated as per Green Book

- DTaP/IPV/Hib/HepB
- HIB/Men C
- Rotavirus
- Men B
- Pneumococcal

Children aged over 3 yrs and 7 mths and younger than 6 yrs fully vaccinated as per Green Book

dTaP/IPV

MMR

# **Exception Reporting**

Declined – patient's may decline all vaccinations or specific individual vaccinations, for example

Rule 1 If Rule Passed: Include in final result

Include Patients with Clinical Codes where:

the Clinical Code is First rotavirus vaccination, Second rotavirus vaccination, Rotavirus vaccination given by other health care provider

Click here to add another feature to this rule.

Rule 2 If Rule Passed: Include in final result

Fither

Include Patients with Clinical Codes where:

the Clinical Code is Rotavirus vaccination contraindicated

Or

Include Patients with Clinical Codes where:

the Clinical Code is First rotavirus vaccination declined, Second rotavirus vaccination declined

#### **Exceptions Cont.**

Contacted 3 times – no response (either phone or SMS)

Newly registered in the last quarter

# **Wound Care**

To ensure that there is a **5-day wound care service** for adults and children, with sufficient appointments available to all registered patients within a PCN area.

The main aim is to ensure that clinically appropriate patients are treated in an appropriate primary care setting, enabling continuity of care and consistent review.

# The PCN/Practices required to hold 2 appointments daily – in discussions with LMC

#### **Payment**

PCN/Practice will be paid at 15 minutes of nursing time at £13.13 for each procedure, including onward referral (this may mean more than one procedure per patient can be claimed for e.g. remove dressing, clean wound, apply new dressing = 3 x procedures)

# Searches

- 1. Number of patients with removal of dressing

  - 2a. Incidences cleaning of wound [PAYMENT]
- 3. Number of patients with application of dressing
  - 3a. Incidences application of dressing [PAYMENT]
- 4. Number of patients referred to complex wound care [PAYMENT]

### **Mental Health New**

As part of the joint efforts to improve the care for patients with mental health needs, ICB are re-introducing the **Supported Transfer of Care** (STC) Local Incentive Scheme, previously known as "Enhanced Transfer of Care".

This scheme is to manage those patients who are stepped down from Community Mental Health Team or Secondary care into Primary Care

# **Payment**

The practices will be contact by ELFT if they believe a patient in your practice is ready for step-down. If you choose to accept them onto STC, you are eligible for the following payments:

 You will receive £42.5 for accepting a patient onto STC and making three attempts to contact them to book an appointment 'On enhanced primary care mental health register (1935311000006100)

 Two review appointments at least 30 days apart will entitle you to a payment of £85 'Mental health review follow-up (248691000000104)
