Key dates

Key dates

- 10-week modules: Weeks 2–12. Teaching begins week of 29 Sept. Registration closes 10 Oct.
- 5-week modules (block 1): Weeks 2–6. Teaching begins week of 29 Sept. Registration closes 10 Oct.
- 5-week modules (block 2): Weeks 7–12. Teaching begins week of 10 Nov. Registration closes 10 Nov.

Registration

To register, log in to [MySIS](#) and use the 'Module Registration' menu. Select 'I want to select/change my QM Elevate modules or view my QM Elevate module feedback'. You can register for up to **4 modules per semester**.

You will not receive any emails confirming your booking, but you can always see all your confirmed bookings in the same module registration task in MySIS. There is at least a 48-hour delay between MySIS registration and the module appearing on QMPlus, timetable or in Teams, so register in advance.

Get Spotted

Tune in to our podcast series to discover how academic assignments can strengthen your communication skills and boost your future career.
