Supporting our students

Thank you to those of you who have
kindly supported the Malcolm Jenkins
and John Richards Travelling Scholarship
Fund, the Barts and The London Alumni
Association Benevolent Fund and the
Barts and The London Annual Fund.
Your gifts help our students to excel in
their field of study.

Your generosity has enabled us to
support dental students with the cost
of textbooks, anatomical models,
accommodation and travel fares. Some
of these students have no other means
of financial assistance and we need your
help to ensure that no student abandons
their studies due to financial hardship.

Emma's story:

"Before receiving the hardship funding
I was worried and stressed about how
I was going to make ends meet. This
added pressure was affecting my work in
my final year of dentistry. With this grant
I am able to eat properly and not worry
about money.

I would like to thank all who have helped
me receive my hardship bursary. I
can't articulate enough how much this
has helped me and my mum who was
panicking trying to find ways to help
me with money. It will make my last few
months at dental school much more
enjoyable and as stress free as possible."

Welcome

The Annual Clinical Meeting brings together professional development and social opportunities for alumni, staff, students and friends of the Dental School.

This event is the ideal occasion for you to meet up with your former classmates, make new contacts, gain CPD points and learn about current developments and innovations, as well as network with some of the leading names in dentistry. Guided tours of the Dental School, which moved to new premises in summer 2014, will also be available.

Over the course of the two days, eight verifiable hours of continuing professional development will be available. You can meet exhibitors at our Trade Show, view

poster presentations by postgraduate students and have your say at The London Hospital Dental Club Annual Business Meeting. Our annual subscription dinner will be held on Friday evening at Devonshire Terrace, a modern European restaurant near Liverpool Street. Lunch at Efes, a Turkish restaurant located close to the Dental School, on Saturday afternoon will bring the weekend to a close.

Discounted rates, including a special early bird offer, are available - see the registration form for details.

Message from your President, Dr Aditya Naidu (q BDS, Barts and The London, 2006; MClintDent Prosthodontics, Barts and The London, 2012):

"It is an honour to serve as your President for 2017 and I would like to invite all alumni to our annual 'homecoming' event and to welcome those as yet unfamiliar with the wonders of Whitechapel! I am happy to report that our close association with the British Society of Prosthodontists (BSSPD) continues with a joint day on Friday and I hope everyone is as excited as I am to hear our superb line-up of speakers, who will open our eyes to the multitude of pathways available to us in this progressive era of the Restorative Dentist!

I am very much looking forward to spending time with friends, both old and new. The Meeting is open to all in the profession and, as always, we Old Londoners' will make you and your friends feel welcome. I look forward to seeing you all in February!"
