**WHAT DO THEY DO?**  
Represent their fellow students to the School Committee, raise concerns, suggest improvements, and act as a point of contact for staff.

**WHAT'S IN IT FOR ME?**  
Develop leadership skills, gain experience, and have a say in your course.

Course Reps elections

Course Representatives are elected by their course mates and are the key link between students and staff in their School. They speak out student views and represent them at Student Staff Liaison Committee meetings, work with staff to improve their course, campaign for change and act to resolve course-related issues. Course Reps are elected for the full duration of their course.
