<b>Channel Island &amp; Isle of Man students:</b>					
Students from the Channel Islands & Isle of Man who enrol on a taught postgraduate programme are charged the Home/EU rate of fees.					
<b>Fees for programmes lasting two or more years:</b>					
Fees for most programmes lasting two or more years are charged annually. For part-time programmes, the fee for the first year is usually half that of the corresponding full-time programme, rounded up. In the second or subsequent years, the fee charged will be the same as that charged for the first year plus an annual inflationary uplift. The programme listings for each school/institute specify whether fees are charged wholly up front or over two or more years.
