

William Harvey Research Institute Work Experience Programme July 2025

WHRI Work Experience Programme

- The William Harvey Work Experience Programme is an in-person public engagement event that runs over two days at the William Harvey Research Institute, Faculty of Medicine and Dentistry, Queen Mary University of London in the 2nd half of July every year.
- The programme aims to provide an opportunity for sixth form students who are interested in studying Medicine or a Biological / Biomedical related degree at university and are considering a career in a similar field to gain first-hand experience in laboratory and clinical research.
- Application to the programme opens in May and the selected students are confirmed by the end of June.
- Approximately 30 students are hosted every year.
